**Germany is a vibrant and beautiful country of contrasts, both in its cities and landscapes.** From the sky high mountains of the Alps to hilltop castles of the river valleys, from modern and edgy cities of the north to traditional Bavarian architecture in the south, Germany delights any visitor.

*“Oktoberfest in Munich really shows off the Germans’ sense of “Der Gemütlichkeit” (social cheerfulness and well-being). You’ll find yourself greeted warmly throughout Germany, especially at the inns and gausthuses. Your improved sense of well-being, combined with the great historic and romantic treasures of their medieval towns and cities, makes visiting Germany an unbeatable experience and excellent value. Prosit!”*
